‘Quite simply, the most impressive literary magazine of its time’

Daily Telegraph

Granta magazine

Granta is one of the world’s most respected literary magazines, acclaimed for the quality of its writing, its international reach and its mix of established and emerging authors. From Nobel laureates to debut novelists, each themed issue of *Granta* turns the attention of the world’s best writers on to one aspect of the way we live now.

Published quarterly, the magazine features a blend of reportage, fiction, biography, poetry, memoir and art. Photography essays are also an integral part of the editorial including visually stunning images printed on premium coated paper.

Granta’s ‘Best of Young’ issues, released decade by decade, introduce the most important voices of each generation – in Britain, America, Brazil and Spain – and have been defining the contours of the literary landscape since 1983.
